## Speech-Language Pathologist

*Clinical Director, The Speech Therapy Centres of Canada Ltd.*

Jeanette Podolsky is an experienced Speech-language Pathologist with more than 30 years of comprehensive experience. Beginning her practice in her native South Africa, she moved to Canada in 1990 and joined the York-Durham Aphasia Centre. Beginning in 1996, Jeanette worked with the York Region Community Care Access Centres Acquired Brain Injury program. At the same time, she started her private practice on a part-time basis. In 2005, she established her full-time private practice focusing on the treatment of clients with Acquired Brain Injury who presented with speech, language, and cognitive -communication disorders. In 2008 Jeanette along with a partner established The Speech Therapy Centres of Canada Ltd.(STCC) Alongside the ABI division within the STCC Jeanette has opened numerous clinics throughout the GTA to service clients with a variety of communication issues. Jeanette believes in a holistic approach to client care which includes treating clients, training family members, collaborating with other professionals and utilizing support personnel to aid in integrating clients into the community. Jeanette is committed to helping her clients in gaining the communication skills essential for achieving quality of life and independence.
