

ELIZABETH FARQUHARSON

P.T.

Patient Care Coordinator, C5 Trauma Unit, Sunnybrook Hospital

Elizabeth trained in the U.K as a physiotherapist, graduating in 1983. She has been working as a physiotherapist at Sunnybrook since 1991 and in acute care trauma for the last 10 years. During the last 5 years she have been in the role of Patient Care Coordinator for the Trauma service and has therefore had the opportunity to view the ABI population from a broader field.

Registered with the Ontario College of Physiotherapy.
