

**REVERA CLASS ACTION  
INTAKE FORM**

Thomson Rogers is a law firm located in Toronto, Ontario. Since 1936, the Thomson Rogers' team has specialized in the areas of personal injury, product liability and institutional abuse. Our experienced and determined team was actively involved in the Indian Residential Schools and recent Niagara College class action settlements.

By completing this form, we will include you in our database and we will provide you with periodic updates on the progress of the class action. Your information will be kept private and will only be used for the purpose of this class action.

We may follow up with you by phone to further discuss you and your family's experience at Revera Long Term Care Inc. ("Revera"). We also invite you to send us copies of any correspondence and photographs that will help us better understand these issues, as well as a photograph of your family member who resided at Revera.
