Dear Deanna:

**Re: Tricks of the Trade 2026

On behalf of The Advocates' Society and program chairs Lisa Belcourt, Brenda Hollingsworth, Sudevi Mukherjee-Gothi, & Brian Sunohara, thank you again for speaking at **Tricks of the Trade 2026**.

Participants really enjoyed your participation in the demonstration, **Demonstration and Commentary: Dis/Qualifying Experts**. Multiple attendees identified your demonstration as "what they enjoyed most" about this year's program and said that they would like to see "more demonstrations"!

Thank you once again for helping to make this program a success. We are grateful for your support of our education initiatives. I look forward to working with you again in the near future.

Sincerely,

Megan Appleton
